MEMORANDUM IN SUPPORT

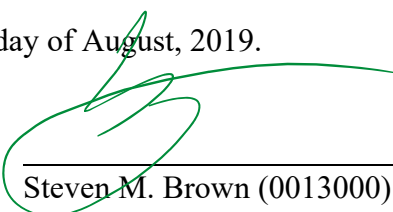

Undersigned counsel is continuing to review the discovery provided to date, and he understands that there may be additional discovery forthcoming that will require review. The requested continuance would allow undersigned counsel to complete the review of discovery and intelligently discuss the specifics of the discovery with Defendant. Additional time to review the discovery is also necessary to allow undersigned counsel to adequately engage in plea negotiations

and/or prepare for trial.

Defendant submits that the ends of justice served by the continuance outweigh the best interest of the public and Defendant in a speedy trial, and a failure to grant the requested continuance will result in a miscarriage of justice. Defendant hereby waives his speedy trial rights for the period of the continuance, pursuant to 18 U.S.C. 3161. The Government does not oppose this Motion.

CERTIFICATE OF SERVICE

The undersigned hereby certifies that a copy of the foregoing was served upon Jessica Knight, Esq. via email and ECF on this 19th day of August, 2019.
